ADMINISTRATION AND FACULTY

Governor Buford Ellington

The Governor and the State Board

During his first two years of administration, Governor Buford Ellington has been a staunch supporter of education. East Tennessee State College can look forward to continued progress because of the combined efforts of Governor Ellington and the State Board of Education.

The Governor appoints the State Commissioner of Education and all members of the board. The State Board of Education, headed by Commissioner Joe Morgan, determines such things as campus policies, budgets, and teacher appointments.

First row: Hon. J. Howard Warf, Mrs. Sam Wilson, Commissioner Joe Morgan, Mrs. Ferdinand Powell. *Second row*: Hon. Clarence Holwyck, Dr. Norman Frost, Hon. James Williams, Ernest C. Ball, Judge W. R. Landrum, Hon. Edward J. Jennings.

The President of ETSC

President Burgin E. Dossett, a well-known and respected figure on campus, again has led our college as it grows in its physical and cultural scope.

We, the students of East Tennessee State College, take pride in the accomplishments and leadership of our president. We express our gratitude for the warm hospitality of him and his family.

Dr. Sidney Gordon Gilbreath

In Memoriam

On January 6, 1961, Johnson City lost one of its most well known educators, Dr. Sidney Gordon Gilbreath, who was the first president of East Tennessee State College.

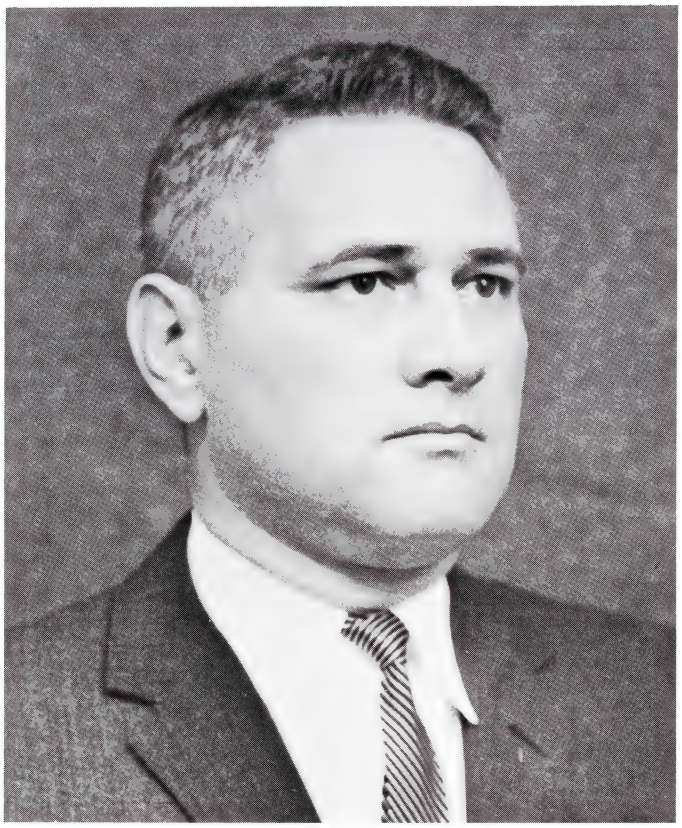

At the age of 19, Dr. Gilbreath accepted his first job as a public school teacher at New Hope, near Madisonville. When he was 21, he was named superintendent of the Monroe County Schools and was admitted to the bar on his 21st birthday.

Just after his 26th birthday, Dr. Gilbreath was appointed Tennessee state superintendent of schools, the youngest man ever to hold that office. In 1897 he was named president of Hiwassee College. He resigned two years later to take up law practice.

Soon Dr. Gilbreath was called to Peabody College in Nashville where he became a professor in the education department. In 1903 he became superintendent of the Chattanooga, Tennessee schools, resigning the post in 1910 to become president of East Tennessee State Normal School in Johnson City, where he headed the school for 15 years.

Dr. Gilbreath served as president of the Public School Officers Association, and president of the Tennessee State Teachers Association. He took a leading part in various state educational campaigns and was regarded an authority on school law, having served regularly on the committee on school law of the Public School Officers Association. He assisted in drafting the General Education Bill of 1909, which provided, among other important items, for establishment of the state normal school system. The administration building at East Tennessee State College is named the Sidney G. Gilbreath Hall in his honor.

Dr. Gilbreath dedicated most of his life to education, and his accomplishments stand as a better monument to him than anything we can say with words.

Mr. Phillip M. Thomas

Dedication

This year the Buccaneer is dedicated to Mr. Phillip M. Thomas. We know Mr. Thomas, the Assistant Dean of Men, and an associate professor of General Science, as a teacher and counselor. Since he has been here at East Tennessee State College he has taught in the Science department as well as performing administrative duties. He is a familiar figure bringing order out of the chaos of registration, high school days, and many other vital activities.

The annual staff under the direction of the student body give you, Mr. Thomas, this place of honor in appreciation for your services to us and to our school.

Quiz Bow !

Sunday, February 5, the United Student Body sponsored a Quiz Bowl patterned after the well known television program sponsored by General Electric. Top scores were Ken Cherry with 140 points and Doris Boone with 125 points.

The Quiz bowl was produced through the efforts of a special committee appointed by Student Body President Gene Bass. Chairman of the committee is Pat Thompson, and other committee members include Christine Hawkins, Rebecca Scott, Deanna Coffman, Peggy Jean Scott, Retta Belle Lyle, and Kenneth Lee. Chairman Thompson stated that the bowl was organized this year in hope that the school might some day be represented on the GE program.

The college faculty assisted greatly in the production. Dr. Hodges served as moderator and the judges were Dr. Robert G. Crawford, professor of history; Dr. Gem Kate Taylor, associate professor of education; and Richard Stevenson, professor of biology.

Below: Doris Boone and Kenneth Cherry, top scorers.

Homecoming

Homecoming each year brings the climax of rat week, the alumni, parades, Pikes Peak, the ball game and dance. Here is the time when 'old grads' and 'undergrads' join in merry-making well seasoned with 'school spirit' for our dear old alma mater.

ATHLETICS

ETSC Football-1960

Rebuilding as the result of heavy losses in the backfield and line, ETSC's football Buccaneers compiled a record of three victories, four defeats, and two ties during the 1960 gridiron campaign.

Weakened because of inexperience and lack of developed reserve strength early in the season, Coach Star Wood's Bucs grew definitely stronger as the season progressed and the number of new men in the ETSC camp matured.

Late in the season the Bucs convincingly demonstrated their steady improvement by rolling over Ohio Valley Conference foe Morehead State and non-league opponent Austin Peay State and holding strong OVC opponent Middle Tennessee State to a narrow victory margin.

Before reaching their potential and impressively breaking into the win column near the close of the campaign, the Bucs early in the season were able to hold their own in the tough OVC by limiting two tough loop teams, Western Kentucky and Eastern Kentucky, to deadlock decisions.

In other early OVC competition, the ETSC aggregation lost to Murray State and Tennessee Tech. An early season victory was achieved over strong Jacksonville State, with a loss to Wofford preceding ETSC's two notable late season triumphs.

While the lack of experience naturally resulted in limited general success for the team, it was a big year for talented individual performers on the ETSC team.

Stellar halfback Ronnie Quillen led the OVC in individual rushing throughout the season, with his achievement winning him a place on the annual All-Conference team. Also capturing a berth on the All-OVC eleven was star end Bill Hughes, who, along with Quillen, paced the Buc scoring activities throughout the season.

Quillen, Hughes, and Tackle Jack Stokes later also received honorable mention on the noted annual Little All-American squad selected by the Associated Press.

Quillen also was one of 33 players from colleges and universities over the nation who were selected to compose the 1960 Williamson Rating System All-American squad. The Williamson Rating System, located in Houston, Texas, is one of the nation's most prominent athletic rating systems.

Front row: Tony Martin, Ken Johnson, Ronnie Quillen, Wayne Burchfield, Buck Honaker, Terry Pope, Jim Baker, Don Evans, Tim Sowders. *Second row*: Jerry Kirk, Ronnie Johnson, Maynard Strickler, John Honaker, James Cochran, Mike Casey, Larry Berrong, Barry D'Andre, Jim Busbee, Phillip Morgan. *Third row*: Rowland Henderson, James Garrigan, Paul Hensley, Don Slaughter, Tom Ramey, Hal Harmon, Wayne Peters, Bruce Koskinev, Mason Ligon, Prezzle Quillen, Bob Mullins. *Fourth row*: Johnnie Biard, Tony Griffin, Ron Brooks, Kent Bradford, Larry Trent, Eddie Raines, Delmus "Buddy" McCarter, Buddy King, Otis Luttress, Jack Stokes, Jessie Ward. *Fifth row*: Coach Tippet, Coach Morrison, Mike Housley, Jim Hawkins, Floyd Shadrick, David Couch, Rodney Umberger, Bill Hughes, Pat Carter, Bill Belcher, Coach Wood, Coach Frey.

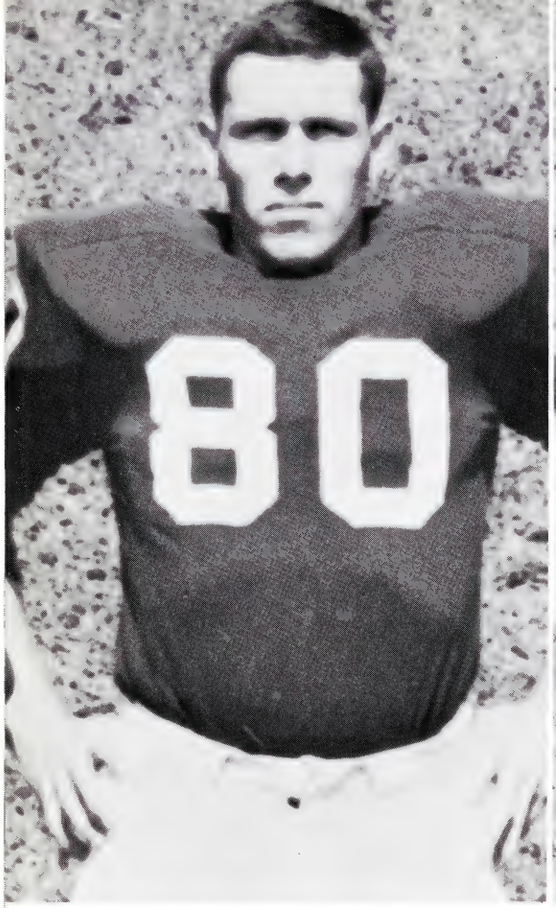

Below: Head Coach, Star Wood; Line Coach, Calvin Frey; End Coach, Hal Morrison; Freshman Coach, Howard Tippett.

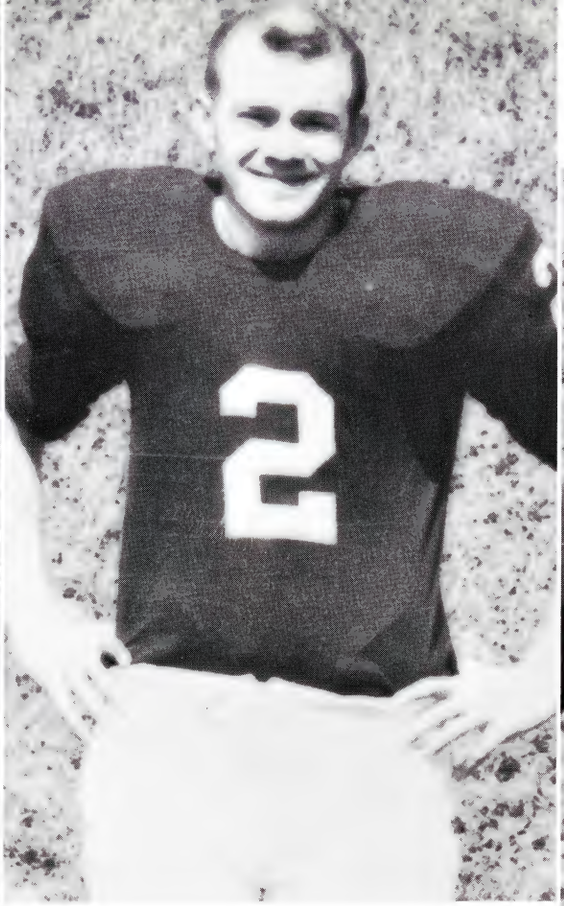

In an explanatory note regarding the squad, the Williamson Rating System declared: "This is not a "little" All-American team. Mostly the players are from colleges with a rating of over 60.0 These colleges could have and some did hold their own on a field with many name squads in the 1960 season. Many of the boys would have made "big" All-American had they played on a major college squad."

Quillen was one of only two performers from the Ohio Valley Conference to be selected for the squad.

The 1960 - 1961 Basketball Season

Although they won only nine out of twenty-four games, the basketball Bucs win-loss record for the season does not tell the whole story about their achievements in the campaign.

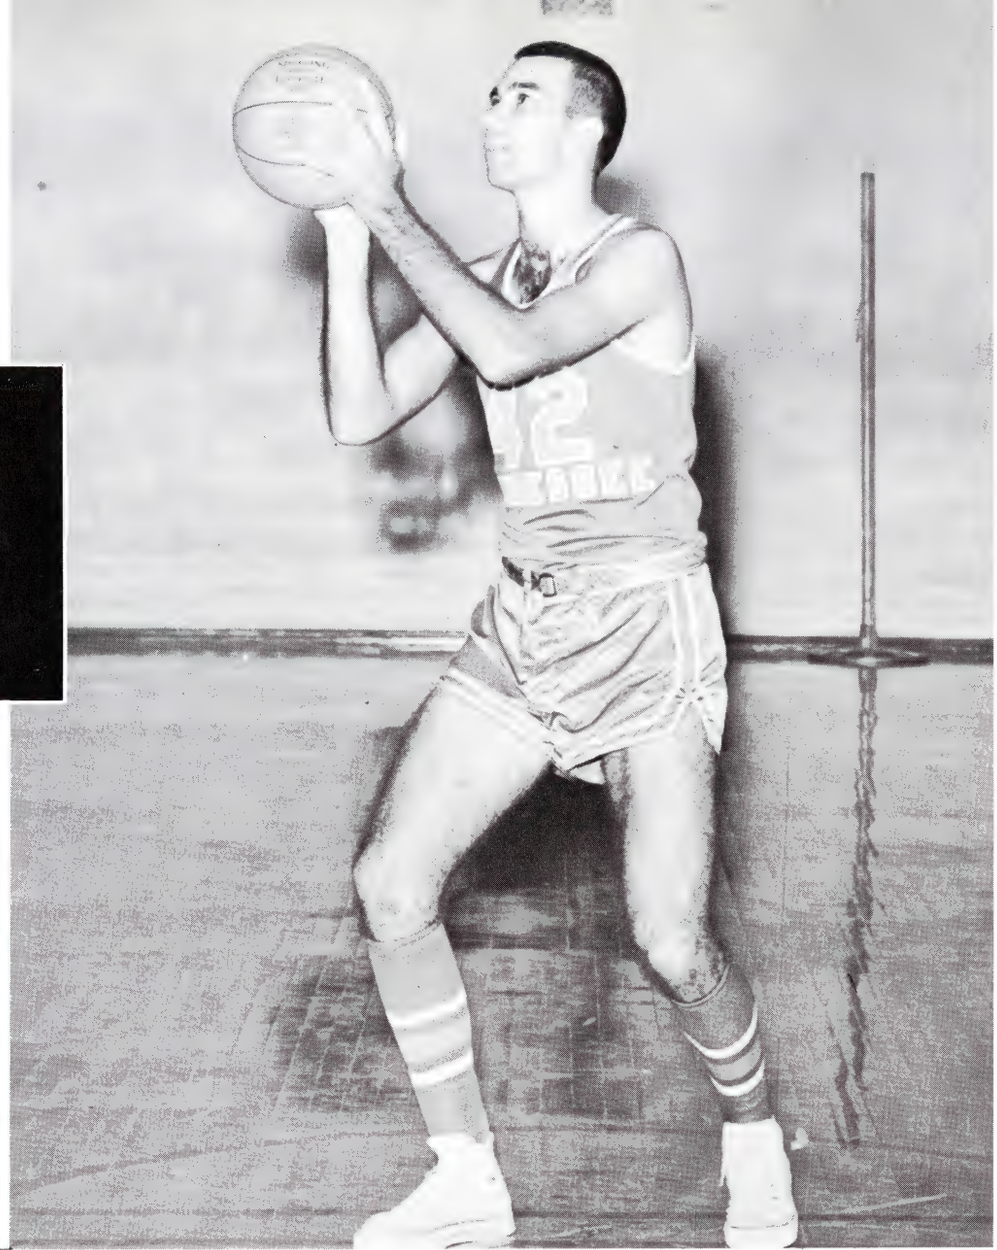

Numbered among their victims were such tough Southeastern and Southern Conference teams as University of Georgia and Davidson. Also a casualty to the ETSC attack was formidable Centenary College.

The Bucs lost only narrowly to the University of Tennessee, and, growing steadily stronger late in the season, concluded the campaign by almost upsetting mighty Western Kentucky, one of the leading clubs of the Ohio Valley Conference.

A glance at the season's statistics indicates the challenge the Bucs offered the opposition. ETSC averaged 77.6 points per game to only 81.4 for their opponents.

The Bucs suffered from lack of height and bench strength in comparison to their opponents and considering these handicaps may be considered to have performed remarkably well.

Tom "Terrific" Chilton

Tom Chilton, who concluded his college career in the 1960-1961 season, was the greatest basketball player in ETSC athletic history.

College and Ohio Valley Conference records fell left and right in the wake of Chilton's dazzling performances.

With his 52 points against Austin Peay, he broke the college scoring record which he himself had established the year before. His 32.1 season's scoring average set a new OVC mark, as did the 26.1 career average which he achieved. He capped his conference achievements by being named all-OVC for the third straight season.

His 771 points compiled during his senior year won him the position of No. 2 scorer in the nation and he also was one of the nation's top five rebounders.

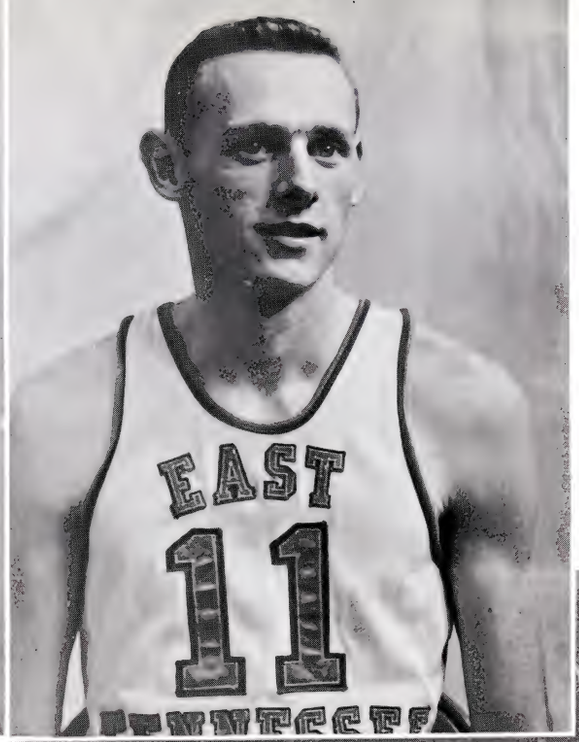

In his three-year college career, Chilton scored a total of 1,801 points and recovered 971 rebounds.

In the voting by the nation's sports newsmen for the Associated Press and United Press International annual All-America teams of 1961, Chilton was declared one of the top 20 players in the nation and narrowly missed getting enough votes to be named to the third teams of the selections.

Since conference prominence as well as individual ability appeared to be a factor in the voting for the teams, it seemed that the failure of newsmen participating in the polling to place Chilton higher was the regrettable result of the lack of awareness in other sections of the country of the high caliber of basketball played in the Ohio Valley Conference.

Coach Buddy Hartsell's 1960 tennis team finished the season with 6 wins and 5 losses. The Bucs were paced by outstanding play by Ben Wilson, Clyde Williamson, and Albert Wilkes. The net-men made their best showing in the highly rated O.V.C. Tournament at Middle Tennessee State College at Murfreesboro, Tennessee where they placed second behind the fine play of Albert Wilkes, who won the Number 4 division singles championship.

Members of the team who lettered were Ben Wilson, Clyde Williamson, Albert Wilkes, Emory Hale, and Buddy Farnsworth.

For the 1961 season the Bucs, with four out of the first six returning, will have their sights on the 1961 O.V.C. Championship.

The following were counted on in their respective events: Bill Mason, 880; Tom Roberts, Shot-Put; Carl Bright, Dashes; Don Snyder, broad jump; Richard Rusling, hurdles; Mike Casey, middle distance; Don McDonald, hurdles; Roger Dillow, distance; and Ken Johnson, middle distance.

Coach Jim Mooney completed his twentieth year as head coach of the East Tennessee State College baseball team with a seven and seven and one tie record for the season. The State team was weak in the pitching department, however, Sam Baird led the O.V.C. Conference in hitting with a .487 average and Gene Cowan made the O.V.C. All-Star team as the third baseman.

The Golf Team, under Coach Morrison, completed a successful season.

The low scoring men were Louis Clark and Ellis Murphy, who with a score of 69 equaled the school record. Also, the most consistent golfer was Captain Marion White. Wayne Whitson was the most improved golfer of the team.

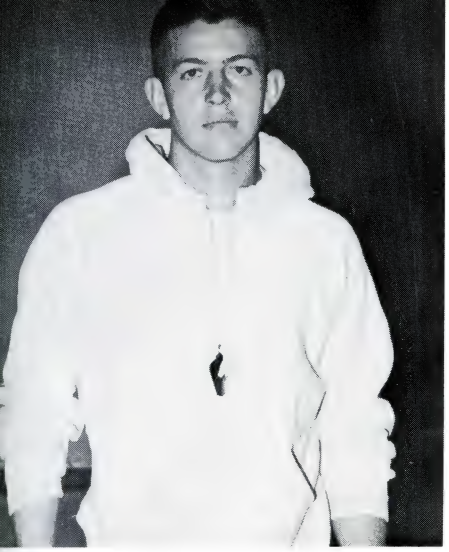

Coach Morrison is anticipating a successful 1961 season, with Murphy returning, Freshmen Joe Taggert, Jim Huff, Harold Reynolds, and transfer student Ben Huff.

BEN WILSON, *Intramural Director*

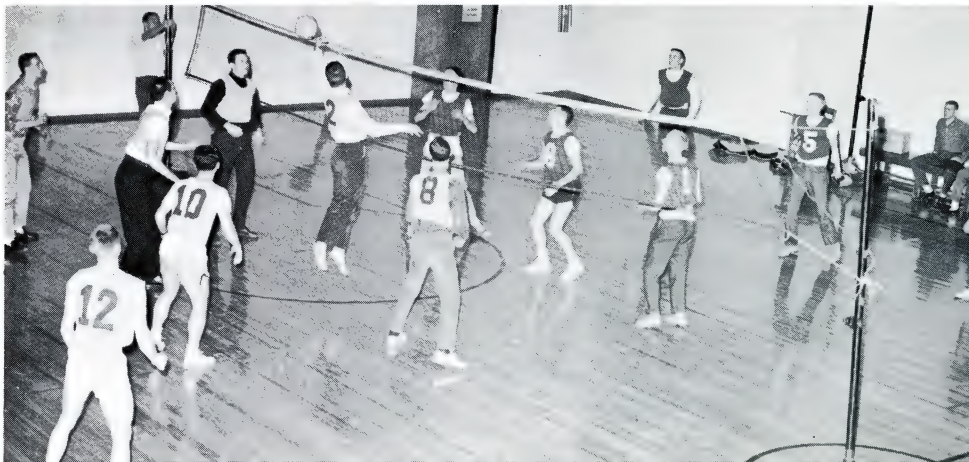

MEN'S INTRAMURALS

Among our most important programs for East Tennessee State College students is the program of Intramural Athletics for Men. Offering several different athletic activities, the program provides each male student with the opportunity to participate in the particular activities in which he is most interested. As a result of this comprehensive program, a great majority of the male student body is involved in healthy and enjoyable competition. Conducted on a fully organized basis by the participating students with faculty guidance, the program also presents participants with excellent opportunities for leadership development.

WOMEN'S INTRAMURALS

The department of Physical Education for Women is interested in making available to the students many recreational opportunities, and one way of doing this is through the Women's Intramural Program. The Women's Intramural Program promotes activities through the Junior and Senior Orchesis, Aquatic Club, Golf Club, contests, and tournaments in various sports. The following activities are offered: archery, badminton, bowling, basketball, field hockey, golf, hiking, modern dance, ping-pong, riflery, speedball, softball, swimming, tennis and volleyball. This program is supervised by the Women's Physical Education Department but is carried on largely by the manager, assistant manager and director of intramurals with the Letter Girls directing each sport.

Above: June Grubb, Intramural Head; Miss Faye Flanagan, Faculty Sponsor; and Betty Roberts, Intramural Head.

This year approximately five hundred girls participated in some phase of the intramural program. It is the policy of the Women's Physical Education Department, whenever possible, to offer any new activity that a reasonable number of students request. The program is open to any girl who wishes to participate, and we encourage and welcome participation by all girls interested.

Panhellenic Council

Dean Ella V. Ross
Sponsor

The Panhellenic Council of East Tennessee State College is composed of the president of each sorority on the campus as well as two elected representatives from the seven national sororities. The officers of Panhellenic are elected from the group. The presidency is rotated among the seven sororities. This year Faye Vollrath Geimer served as president.

The main project of the group is the new Panhellenic House which consists of a room for each of the sororities and a common room for dancing and other social functions. Other activities of the group include the Panhellenic Workshop and the Panhellenic Dance. This year Panhellenic combined with the Inter-Fraternity Council to sponsor a Greek Dance which was one of the most successful dances of the year.

This year Mike Haulsee served as President, John Fletcher as Vice-President, Paul Bellamy as Treasurer, and James Talley as Secretary. The faculty sponsor for the Inter-Fraternity Council is Dean Calvin Mercer.

The activities of the group include sponsoring a program to orient freshmen about fraternities, sponsoring an I.F.C. Dance, and sponsoring an inter-fraternity intramural program. This year the intramural program, one of the best ever sponsored by the I.F.C., is characterized by keen interest and competition.

A sheaf of fragrant, purple violets . . . an adelphean blue nestled close to a glowing white . . . a sacred trust . . . "no standard too high for Alpha Delta Pi" . . . true sister love . . . its founder Eugenia Tucker Fitzgerald . . . the first secret society for college women . . . clasped hands. . . .

All of these spell Alpha Delta Pi—but there are no symbols, thoughts, or words that can capture the feeling of pride that the members of Gamma Phi Chapter have for their sorority. It can best be explained through our motto, with greatest sincerity—"We live for each other."

Lambda Chi Alpha

Lambda Chi Alpha was founded on November 2, 1909, at Boston University. Our local chapter, Iota Omicron, was chartered on April 14, 1956, after our local fraternity, Phi Beta Chi, had been colonized into Lambda Chi Alpha a year previous to this date.

Lambda Chi annually sponsors the Starlight Ball at which the Crescent Girl is chosen. This year Miss Bobbie Johnson was elected to serve as the sweetheart for the coming year. The highlight of the winter quarter is the Lambda Chi Alpha All-Sing, which promotes competition among the Greeks in both large and small group musical selections. The program is staged for two nights, with the trophy presentations occurring on the second evening.

Lambda Chi was the first fraternity at East Tennessee State College to obtain a fraternity house, which was purchased in November of 1957. Mrs. Ned Stacy of Johnson City is the housemother. She occupies an apartment in the fraternity house consisting of a sitting room, bedroom, and bath. The house accommodates 30 actives and pledges, and this year the chapter has opened to its members and guests a kitchen and dining room.

Lambda Chi also boasts of first place in Potpourri last spring.

Iota Omicron Chapter has been active in service projects as it sponsors parties for area orphanages, programs for churches and civic clubs, as well as other off-campus activities.

The chapter is greatly benefited by an active alumni association and their faculty sponsor, Mr. Emmett Sawyer.

Alpha Omicron Pi

Below: Gail Williams and Barbara Davis working on service project at the V.A.

Alpha Omicron Pi Sorority, founded on the principles of love and friendship, had its beginning at Barnard College, Columbia University, on January 2, 1897. On April 16, 1955, Alpha Omicron Pi came to the East Tennessee State College campus.

The Jacqueminot Rose, the sorority flower, typifies the beauty of the friendship and fraternal associations among the members of Alpha Omicron Pi.

Sixty-five active Alpha Omicron Pi chapters in the United States and Canada now enjoy the key purposes of the fraternity: friendship, scholarship, leadership, and service.

The sorority activities this year have included second place honors in Potpourri, an "All Greek" tea dance, philanthropic project for needy children in the Kentucky mountains and Christmas gifts of shoes for needy children in a local school.

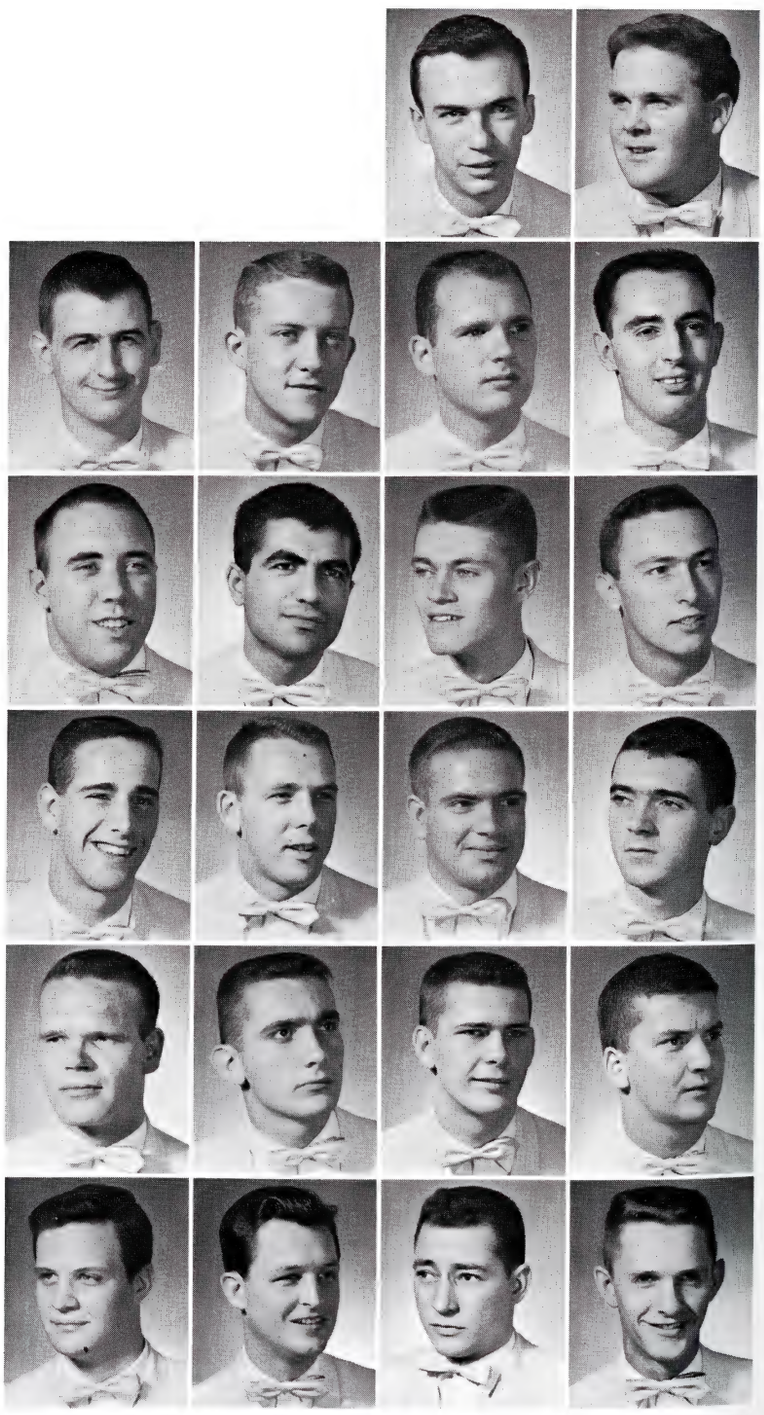

The faculty award has been received by the two past presidents of Alpha Omicron Pi Sorority.

Officially founded on March 9, 1856, at the University of Alabama, Sigma Alpha Epsilon is one of the two "deep" South fraternities and belongs to the Old Line, coast-to-coast fraternities. Conservative in its growth of new chapters, SAE takes pride in its traditions and influence upon the men who affiliate with the "Son's of Minerva."

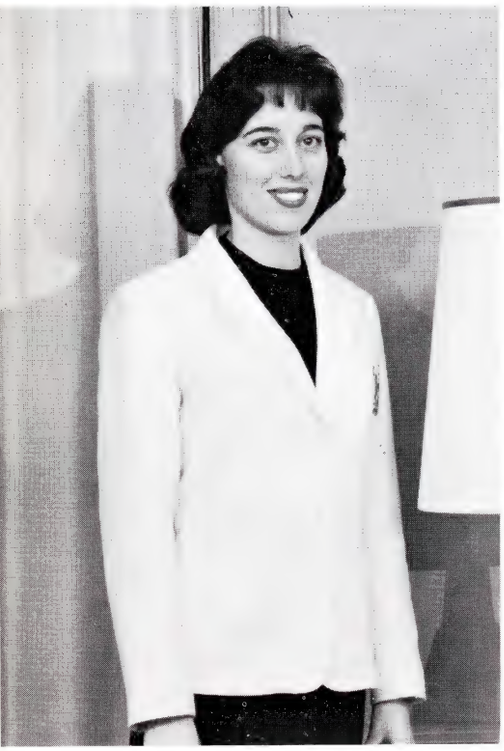

The Phi Alpha Colony of Sigma Alpha Epsilon was established at East Tennessee State College on May 5, 1960. The "Son's of Minerva" who had left their respective collegiate chapters renewed the bonds of brotherhood and requested recognition from the SAE fraternity to establish a colony at East Tennessee State College.

The members of the Phi Alpha Colony strive toward the installation of a collegiate chapter of SAE. Backed by an active alumni organization and our faculty advisor, Dr. Clyde Farnsworth, Phi Alpha has high hopes of soon obtaining its charter.

We have no sweetheart, but a Co-ed of the Year is selected by the chapter and presented at the Spring formal.

Alpha Xi Delta

Alpha Xi Delta was founded in 1893, at Lombard College, Galesburg, Illinois. Gamma Theta Chapter marked its first anniversary on February 4, 1957. The golden quill—the colors, double blue and gold—the pink Killarney rose—these are the outward symbols of Alpha Xi Delta. These symbols bind the Alpha Xi Delta sisters into a circle of lifelong friends.

House Parties, the annual Rose Formal, a Halloween party for the underprivileged children, a Christmas party for the children of the Speech and Hearing Clinic, and other formal and informal parties make up the Alpha Xi Delta year.

Faculty sponsors are Miss Jessie Moore and Mrs. J. Madison Brooks.
